Good morning Eric,

We have been on a back to back field work schedule and based on this it has been impossible to get desk tasks done. I will be out on field work next week and in training the week after. It is my hope that thereafter I would be able to expedite any deliverables to you.

Thanks for your understanding,

Hi Ben:

Do we have any summary tables for the soil data attached? Also, please ensure that all data products have a date on them.

Thanks
